## Seminar - Why Xero? The world's easiest accounting system

At Leenane Templeton Chartered Accountants & Business Advisors, we pride ourselves on providing professional and cost effective accounting services to our clients. Last year we partnered with Xero, the world's easiest online accounting system specifically tailored to businesses like yours. And we now want to give you an insight into the benefits of Xero whilst also having feedback from a Bank, Bookkeeper and Accountant.

**GUEST SPEAKERS:** Meena Berry - Xero  
Brendan Wallace - ANZ Business Banking  
Deb Laut - The Business Organiser

Xero provides a powerful view of financial information in real-time. There's no need to buy expensive software and install upgrades. Xero is available on your PC or Mac in the office, at home or on popular mobile devices – anywhere, anytime. This seminar helps to gain an understanding of the benefits of Xero whilst also having feedback from a Bank, Bookkeeper and Accountant.

The beauty of Xero is you can invite a number of trusted people such as us, your accountants, to collaborate online. No more cumbersome transfer of data that can be corrupted or is out-of-date.

### WHY PEOPLE LOVE XERO:
